

# HOW IT ALL STARTED... "HI, WE'RE FROM COMPANY X, WE ARE, WE DO, BLAH, BLAH, BLAH...

LET'S BE HONEST, IT'S NOT WHAT YOU WANT TO HEAR WHEN YOU MEET SOMEONE FOR THE FIRST TIME!

# SO HOW DO YOU MEET NEW PEOPLE AND ENCOURAGE MORE BUSINESS WITHOUT ATTENDING THE CRINGEWORTHY NETWORKING EVENTS OF OLD?

### BY NOTWORKING.

Mixing business and pleasure is something we've always done as a company, and it's worked really bloody well for us. So, we thought we'd take the plunge and create a networking event that we'd want to go to.

With a strict no pitching rule, a decent venue and the right kind of people, the Notworking Networking Club was born.

From a standing start and minimal promotion, over 100 Exeter business people with a similar mindset joined the inaugural event in November 2018. The appetite to Notwork has grown from there and it's fair to say, a movement has begun.

If like us, you enjoy some proper Devon hospitality amid like-minded professionals, become part of the action at our next event and show your clients the brighter side of doing business.
